Superintendent's Report

Your School Board is recommending a budget of \$19,457.19 for the school year 1966-67. This represents a decrease of \$7,998.00 from our current budget of \$27,455.19. Excluding the bus amount of \$6,500.00 our decrease is \$1,498.00.

Local school tax assessments for schools over the last five years are shown below:

1961-62	\$19,564.05
1962-63	21,492.62
1963-64	21,337.51
1964-65	20,024.54
1965-66	18,462.08
1966-67	17,000.00 (Estimated)

School Bus

I have recommended to your School Board that your new bus be ordered early this year. Prices should be substantially lower than in the summer period.

School Warrant

Three special articles are in your Warrant. One requests voters approval to place an amount not to exceed \$1,000.00 into a Bus Capital Reserve Fund from the unencumbered balance. With careful planning the next bus can be purchased from this fund. Instead of paying interest on borrowed money, the District can obtain a sizeable amount of interest over the years to purchase a new bus when needed.

The second special article requests that the District share in the costs of a part-time federal coordinator on a Supervisory Union basis. Total costs of the above is \$3,300.00. Dummer's share is \$48.18.

The third article requests voters approval to accept money under Public Law 89-10. The sum of \$207.94 has been allocated to Dummer under Title I of this act. Your School Board plans to submit a proposal to purchase books and place them in the Brown School in Berlin. Title and ownership will remain with the Dummer School District.

Respectfully submitted,

LEON J. LAKIN

Superintendent of Schools
